EXPERIENCE

Video Editor, Remote — Work

April 2023 - Present

- Utilizing video editing skills to creatively edit multiple videos on a weekly basis for YouTubers with large followings using Adobe Premiere Pro
- Demonstrating time management skills by working as an editor part-time while balancing schoolwork
- Using organization skills to keep track of the financial revenue stream

Toronto Hong Kong Leo's Club, Toronto, ON — Volunteer

January 2022 - February 2023

- Executive Media Coordinator who managed online platforms and organized large in-person events
- Marketed activities and upcoming events on the organization's Instagram page
- Created eye-catching and audience-retaining posts to get the community interested in our cause

Freelancing Graphic Design, Remote — Work

June 2018 - August 2021

- Created graphical artwork designs for various companies and YouTubers
- Independently worked as a freelancer using various online platforms such as Instagram and Twitter
- Conducted and kept track of financial transactions with clients

PROJECTS

Snakes and Ladders Game with Functioning AI

- Created using Java in a player-versus-computer rendition
- Used Java Swing GUI and implemented the Model-View-Controller design paradigm
- Allowed the player to customize their in-game piece while the AI's customization is chosen with respect to the player
